Construction of a new Marakamba temple at Sagar town

From the Dy Comm Shimoga Dt.
No. ND3 C 1810 /45-46 dated 14.2.47

1) The type design for the construction of the Marakamba temple at Sagar has been prepared by the Govt Architect, and it provides for the formation of a circle around the proposed temple with a Road 20' wide and a foot path 8' wide Plan E.

2) It is stated that for this purpose one house bearing door no 744 and a portion of another house bearing door no. 43 have to be acquired

3) The cost of acquisition of the houses in question is estimated to be Rs 7,200/- as valued by the tahsildar and the cost of construction Rs 8,500/- as per estimate prepared by the AE, Sagar Division

4) The people of Sagar town & the temple committee have agreed to bear the cost of the new temple to be built by selling the existing Vity Rs 2500/ Marakamba building and paying the deficience over and above the sale realisation to make up the cost. This has been approved by the Municipal Council at their meeting held on 22.10.46, and it has been resolved by them

5 U878/L - 6795/L

Construction of new Kharekamba temp at Sagar town

that the temple may be got built after taking the cost deposited by the public of sagar Vide Rs 7,280/

VS The Cost of acquisition has to be met by the Sagar town Municipal Council as per their Resolution dt 15.6.11

VS The Municipal Dte sheriff Requests Sanction to

1) Construction of a new Kharekamba temple in Sagar town at an estimated Cost of Rs 8500/ as per type design prepared by the Govt Architect (Cost to be borne by the public of Sagar (town)

2) Disposal of the existing Kharekamba temple by public auction and to utilise the sale proceeds to meet a portion of the total estimated Cost of Rs 8500/-, the difference amount over and above the sum to be realised by such sale being borne by the public of Sagar town

VS Separate proposals may have to be called for Re acquisition of the houses Referred to above

By orders

Rec 20/1

To The D.C Shimoga has not made mention of the acquisition of the houses required for the formation of the proposed circle round about the Temple to be

SUBJECT — Construction of Sree Marikamba Temple on the original gaddige at Sagar.

The question of constructing a temple over the original gaddige of Sri Marikamba at Sagar has been the subject matter of repeated representations and protracted correspondence It even figured in the form of an interpellation at the Budget Session of the Representative Assembly in June 1945. The reason why this question is invested with so much importance, is not far to seek Marikamba is by way of being the tutelary deity of Sagar town and the Car festival that is being held in her honour once in three years, from time immemorial, is said to be the biggest of its kind in the Malnad. The original temple which enclosed the consecrated padukas of Sri Marikamba is said to have been constructed, accordingly to local tradition, by no less a person than the Jagadguru of Sringeri Peeta On the Gaddige behind these sacred padukas, sacrifices have been offered to the deity from remote times at the time of the triennial Car festival It is the shifting of this temple to its present location in 1939, that has been the cause of so many representations and such protracted correspondence. There are gaps in the records bearing on this question which have necessarily to be filled up, partly by inference and partly with reference

reference to context. The following facts emerge from a perusal of these records

The old temple stood astride the high road leading from the Bangalore--Honavar Road to the Sagar Railway Station and was, therefore, a sewe source of inconvenience to traffic With a view to facilitating traffic, the Deputy Commissioner, Shimoga appears to have suggested in February 1938 the idea of shifting the temple to a more convenient place in the vicinity (reference not available). The Municipal Council, however, after calling for objections, decided to postpone a decision on the question owing to certain 'sentimental objections', that had been brought to their notice. The resolution of the Council was communicated to the Deputy Commissioner who, it is gathered, personally inspected the spot and ordered that the road on both sides of the Marigudi be deviated to facilitate traffic (vide letter dated 20-4-1943 of the President, Sagar Municipal Council). The devotees of Marikamba, however, are said to have presented a petition to the President in November 1938 signifying their consent to the proposed shifting of the temple (petition not forthcoming in the records). It is gathered from the letter dated 20-4-1943 of the President, Municipal Council, that the subject was placed before the Council on 5-12-19

when it was resolved that a new temple for Marikamba may be constructed, arrangements being also made to protect the existing Mari gaddige from being trampled Accordingly, the Municipal Council selected for this purpose a site situated to the South of the Railway Station Road and acquired it at a cost of Rs 302/- also contributing a sum of Rs.800/- towards the construction of the new temple. After the construction of the new temple, the painting of Sri Marikamba kept over the Gaddige in the old temple, was removed to it The Municipal Council appears to have attempted the removal of the Gaddige also, but abandoned it for some unknown reason.

Para 3 of Flag A

Soon after the construction of the New temple, Sagar town which had during the past 15 years or so, presented a clear bill of health as far as plague was concerned, appears to have witnessed the outbreak of this dreaded epidemic in a particularly virulent form and the superstitious townsfolk promptly attributed the outbreak to the wrath of the tutelary deity at the supposed desecration of her temple No protests or objections appear, however, to have been made , at least in writing, in regard to the shifting of the temple.

Flag C-reverse

Towards the close of 1942, one Mr. Visveswara Rao, President of the Marikamba temple, applied for a license to construct a temple for the deity over

over the original site. This was rejected by the Municipal Council, which decided subsequently i e. in January 1944 to sanction an estimate amounting to Rs.240/- for constructing an arch over the gaddige at the old site In January 1945, one Mr Appa Rao applied for a license on behalf of the temple Committee for the construction of a temporary structure or shed over the gaddige and in April of the same year, Mr. Ramachar, President of the Marikamba Temple Committee presented a printed petition to the Sub-Division Officer, Sagar, signed by a number of citizens, in which it was prayed that they may be permitted to build a new temple for Marikamba over the old gaddige for the reasons enumerated therein. It was also suggested in the petition that by forming a circle round the proposed construction, the beauty of the town would be enhanced and that traffic would also be greatly facilitated Representations to the same effect are stated to have been made to the Dewan by the townsfolk including the Municipal Councillors, when he visited Sagar during his tour and the Dewan is said to have assured them favourable consideration if concrete proposals were received in this behalf. (Vide extract of letter addressed by Mr Mahabalappa, M.R A , to the Revenue Secretary to Government, dated 16-2-1946).

Flag D (from here)

Flag C

Flag E

The Municipal Council decided, at their meeting held in August 1945 to con-

Flag E

construct at their own cost a temple measuring 14' X 14' over the sacred feet of the deity at the site of the original structure. The Government Architect who had inspected the site of the old temple along with the Chief Engineer for Roads and Buildings, was requested by the Municipal Council to send a suitable plan for the proposed construction, which he accordingly did.

Flag K

The plan prepared by the Government Architect provided for the formation of a Circle with a 20-foot road and 8 ft. wide foot-path running round the proposed temple which involved the acquisition of house No.74 and part of house No 43, in the vicinity of the Mari gaddige, at a total cost of Rs 7,280/- inclusive of cost of formation of the road The construction of the temple as per design furnished by the Government Architect was estimated to cost Rs.8,500/-. The Municipal Council considered the question at their meeting held on 15-6-1946 and resolved that Government may be requested to sanction the construction of the proposed temple on the site of the Mari gaddige the estimated cost of construction and acquisition being shouldered respectively by the public and the Municipality.

Flag F

Earlier, that is to say, in December 1945, Mr Ramachar, President of the Sri Marikamba Temple Reconstruction Committee, had addressed a petition to the Dewan in

in which he had indicated that the proposed temple could be constructed by the Municipal Council without any extra cost and that, in case additional expenditure was necessary, the townsfolk of Sagar would be prepared to deposit the extra amount either with Government or with the Municipality. This petition reached the Deputy Commissioner, Shimoga, in the usual course. When the resolution of the Municipal Council passed at the meeting held on 15-6-1946 was communicated to him, the Deputy Commissioner ~~personally drew the~~ presumably drew the attention of the Council to this assurance and required the President to obtain an undertaking to this effect from Mr. Ramachar. Mr. Ramachar gave the required undertaking on 27-10-1946 agreeing on behalf of the Temple Reconstruction Committee, to deposit the amount necessary for the construction of the temple, after deducting the amount that may be realised ~~on~~ the sale of the present unused temple building. The Municipal Council resolved at its meeting held on 28-10-1946 to dispose of the unused building by public auction and utilise the amount thus realised for the construction of a new temple on the old site, the difference between the estimated cost of the construction (Rs 8,500/-) and the sale realisation being got deposited by the public The Deputy Commissioner, Shimoga sought in his letter dated 14th

Flag G

14th Feb. 1947, sanction of Government to this resolution of the Municipal Council On being asked as to how they propose to meet the acquisition charges amounting to Rs.7,280/-, the Council resolved at their meeting held on 30-3-1947, that the amount may be met out of the closing balance of the Municipality as the expenditure was in the interest of town improvement and that the temple building constructed in 1939 which had never been used as a place of worship might be sold forthwith in public auction and the amount realised therefrom utilised along with subscriptions collected from the public, for constructing a new temple over the Marikamba gaddige as per design furnished by the Government Architect. A copy of this resolution was forwarded to Government through the Deputy Commissioner

Flag H

As no decision had been reached by Government in regard to this question, the Municipal Council resolved at their meeting held on 31-8-1947 to send a deputation to wait on the Minister in this connection, which they are doing to-day

Though it is possible to weave a fairly coherent pattern from the somewhat incomplete records that are available, ~~that~~ there is one, apparently, contradictory item which obtrudes itself demanding clarification, namely, the letter dated 20-4-1943 of the President,

Flag B

letter dated 23-4-1943 of the President, demanding clarification, namely, the historic item which obtrudes itself that there is one, apparently, contradictory to Rs.7,280/-, the Council resolved at their meeting held on 29-3-1947, that the amount may be met out of the closing balance of the Municipality as the expenditure was in the interest of town improvement and that the temple building constructed in 1939 which had never been used as a place of worship might be sold forthwith in public auction and the amount realised therefrom utilised along with subscriptions collected from the public, for constructing a new temple over the Parikemba paddige as per design furnished by the Government Architect a copy of this resolution was forwarded to Government through the Deputy Commissioner

As no decision had been reached by Government in regard to this question, the Municipal Council resolved at their meeting held on 31-3-1947 to send a deputation to wait on the Minister in this connection, which they are doing to-day

Thus it is possible to weave a fairly coherent pattern from the somewhat incomplete records that are available,

President, Municipal Council, Sagar, stating that the public and the devotees seem to have been satisfied with the shifting of the temple from its old location and that they were offering pujas in this new building -- viewed against the statement contained in letter dated 1-4-1947 in which it is stated that the new temple building has never been used as a temple.

Q.181 - Mr R. S Mahabalappa (Sagar - Urban)

Question	Draft Replies.
Will the Government be pleased to state	
a) Whether it is not a fact that Marikamba Temple situated in the centre of Sagar Town in the square on the Bangalore - Honnavar Road, has been demolished,	Yes. The Marikamba Temple structure has been removed, but the gaddige of Sri Mariamma continues at the original place
b) the reasons for so demolishing it,	As the temple building was an obstruction to traffic, its removal was necessary to improve traffic facilities The townspeople were also consulted and the temple was shifted to the site selected by the public, after consulting them and obtaining their agreement to the shifting Government, in their Orders Nos L 9091-3/M1 13-38-84 dated 15th May 1939 and L 9506-7/M1 13-38-89 dated 24th May 1939, have accorded sanction (1) for the acquisition of the new sitex for the construction of a Marigudi in Sagar Town, at a cost of Rs 875/- and (2) for incurring the said expenditure out of the closing balance of Sagar Municipality
c) whether they are entitled to demolish the temple,	
d) have not the people of the area protested that it was wrong to have demolished the temple and sent up complaints to the Dewan and His Highness the Maharaja,	With reference to their memorials dated 12-10-42, submitted to His Highness the Maharaja of Mysore, praying for a license for the construction of the Mariamma Temple, in its original place, the petitioners (Messrs K Subbarayappa and others of Sagar Town) were informed by Government, that their request cannot be complied with (Vide Law Secretary's endorsement No L 12067 dated 14-6-43)
e) whether the temple would be reconstructed at the same place, what action has been taken in this matter;	The devotees of the temple and other leading persons of Sagar Town have petitioned to the Deputy Commissioner and to Government, to permit them to erect a building on the original "Gaddige" This question is being examined

Muzrai Commissioner.

Sir,

Subject - Construction of a new Malikamba Temple in Sagar Town

With reference to your Telegram dated 23rd instant on the above subject, I have the honour to state that the detailed report called from the President, Sagar Town Municipality in pursuance of your memo No L 6555 dated 10-1-1946, has not yet been received

In the meanwhile the Government Architect, whom I consulted in the matter has, in his communication No 1835 dated 15-2-46, replied that he and the Chief Engineer for Roads and buildings are of opinion that the new Mail Orderly at Sagar might be constructed roughly to an area of 14' x 14' at the original place and that suitable arrangement for the direction of the traffic at the Road junctions are feasible

Subsequently, the Government Architect in Mysore, Bangalore has since furnished the President, Sagar Town Municipal Council, in his letter dated 2-5-46 a suitable design for the Marisamma temple, and sent a copy of that letter to me in his No 2312 dated 2-5-46 A copy of this letter dated 2-5-46 is forwarded herewith for favour of reference It will be seen therefrom that there is slight variations in the dimensions of the ~~parkson~~ temple proposed to be newly constructed and that a portion of an existing building in one of the corners of the circle will have to be acquired to construct the new Temple

I have this day reminded the Municipal President to expedite this final report together with the required acquisition records in the

the light of the opinion furnished by the Government Architect

Action in the matter could not be taken earlier as the papers were pending with the Government Architect for a suitable design of the structure to be put up

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Shirgm District

Re Construction of a temple to Malleswara Deity in the original place of the grading at Sagar Town

---

With reference to your No C 101/44-45 dated 31st October 1945 enclosing the full file on the above subject, I have the honour to forward herewith a suitable design for the malleswara temple and surrounding circle for your information and needful further action in the matter

The overall dimension of the temple is 19'-6" and of the platform 26'-0" If temple and platform are placed in the centre of the road fixing the foot of the malleswara over the hole protection shown in the design, a road of 20'-0" width and a foot path of 8'-0" width may be provided all round This will allow an easy flow of traffic

A small portion of an existing building in one of the corners of the the circle (near Electric Pole) will have to be secured to construct this circle

The file is herewith returned

No 2312 dated 2-5-46

Copy of the above is forwarded with compliments together with a copy of the design to the Deputy Commissioner Shimoga District Shimoga, for information

Sir,

Subject - Construction of a New Marikamba temple at Sagar Town

With reference to your letter No L 274 dated 5th July 46, and in continuation of this Office letter of even No dated 23rd May 1946, on the above subject, I have the honour to state that the President, Sagar Town Municipality reports that on receipt of the type design for the proposed Mariamma Temple, from the Government Architect, an estimate was obtained from the Assistant Engineer, Sagar Sub Division, from which will be seen in connection with the formation of a circle around the temple proposed to be newly constructed, a road of 20' width and a foot path of 8' width is to be provided all around, that certain private properties have to be acquired for the purpose and that the entire work is estimated roughly Rs7,280/- or thereabout as valued in the mahazar

As regards the building, to be constructed as per the type design furnished by the Government Architect, the Assistant Engineer, Sagar Sub Division has furnished an estimate for Rs 8,500/-

The Municipal Council, having considered at the meeting held on 15-4-46 the question of acquisition of certain properties and the adoption of the type design of the building (as opined by the Government Architect), resolved that Government might be requested to sanction the construction of the proposed temple on the original Galdige subject to the condition that the - estimated cost of the building (Viz , Rs 8,500/-) and the cost of acquisition (roughly amounting to Rs 7,280/-) should be paid by the local Municipality and the public of Sagar, respectively

The Municipal President supports the resolution of the Municipal Council, and requests that sanction of Government might be obtained to the proposals

As regards the 1st part of the resolution, I write to state that I have issued instruction to the Municipal President to consult the committee constituted for the management of the affairs of the Markamba temple, and to obtain from the a letter agreeing to the entire cost of the proposed new building

On receipt of a report from the Municipal President, a further communication will be forwarded in the matter

Copy of the report No.C-171/45-46 dated 29-6-46, together with a copy of the resolution of the Municipal Council, received from the Municipal President, Sagar is herein enclosed for kind perusal.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Shimoga District

Subject - Construction of a temple to Mariamma Diety in the original place of the Galdiga at Sagar Town

--

In continuation of this office letter of even No dated 19th February 1946 on the subject noted above, I have the honour to state that the Government Architect who was requested to furnish a suitable design for construction of Mrx Mariamma temple at Sagar, has now sent a lay out plan No 1679 It will be seen therefrom that for the formation of a circle arround the temple x proposed to be constructed, a road of 20 feet width and a foot path of 8 ft width is provided all-round For this purpose, one house bearing door No 74 in the 3rd division and a portion of another house bearing Door No 43 in the same division have to be acquired at a cost of about Rs 7,280/- as valued in the mahazar

The Assistant Engineer, Sagar Division, who was requested to prepare a detail estimate in accordance with the design furnished by the Government Architect, has sent an estimate for Rs 8,500/-

The Municipal Council having considered the question of acquiring the required buildings and the estimate and plan furnished by the Assistant Engineer and Government Architect at their meeting held on 15-6-46, resolved that Government may be requested to sanction the construction of the proposed temple in the original place of the Mariamma's Gaddige subject to the condition that the estimated cost of Rs 8,500/- (for construction) and the cost of 7,280/- (for - acquisition) should be paid by the public and the Municipality - respectively

A copy of the resolution passed on the subject is herewith submitted for reference

I, therefore, request that sanction of Government may kindly be obtained to the proposal of the Municipal Council

The entire file of records together with the plan and estimate is herewith submitted

Sir,

Subject - Construction of a new Marikamba Temple at Sagar Town

In continuation of this Office letter of even No dated 25th July 1947 on the above subject, I have the honour to forward herewith in original the further report No C 171/45-46 dated 9th November 1946 received from the President, Town Municipal Council, Sagar in the matter of financing the scheme referred to above and to state as follows -

The Municipal President states that Mr B Rama Char, President, Sri Marikamba Temple Reconstruction Committee, has given a statement before the Vice-President of the Municipality on 27-10-46, stating that the public of Sagar Town would bear the cost of the new temple to be built on the original Grounds of Sri Marikamba Devi.

The new building is estimated to cost Rs 8500/-
The President of the temple committee requests that the existing Marikamba Buildings which was not constructed at the cost of the Sagar Municipality might be ordered to be sold and the sale proceeds to be earmarked thereby be permitted to be utilised by them to meet portion of the total cost of the scheme Viz , Rs 8,500/-

In view of the undertaking given by the President of the Marikamba Temple Committee, the Municipal Council - considered the question, at their meeting held on 20-10-46

and passed a resolution to the effect that the Municipal Council, Samanthurai undertake to get the [illegible] Temple building built after getting the cost of the building deposited by the Public of Samanthurai Town. The Municipal Council have further passed a resolution to the effect that the existing [illegible] temple building should be disposed of by Public auction and the sale proceeds be utilized as a portion of the cost of construction of the new temple (Vide resolution copy enclosed) for favour of sanction.

The Municipal Chairman requests that sanction of Government might be obtained to the proposal referred to above.

In these circumstances, I request that sanction of Government may kindly be obtained on the following points Viz,

a) for constructing a new Pillayar temple at Samanthurai Town at an estimated cost of Rs.8,500/- as per the plan and estimate approved by the Government Architect in this connection

b) for disposing of the existing dilapidated temple by Public auction and to utilize the sale proceeds to meet a portion of the total estimated cost of Rs.8,500/- the difference amount over and above the sum of to be realized by the sale of the existing temple building being borne by the public of Samanthurai town

The entire records bearing on the subject, except the petition received with your letter No. L 0555 dated 13-1-76 are forwarded herewith for favour of sanction.

No L 1810/45-46

Office of the Deputy Commissioner,
Shimoga, Date: 8th April 1947

8484

To

The Secretary to Government,
Revenue Department,
Bangalore

Sir,

Subject - Construction of a New Marikamba Temple at Sagar Town

With reference to your letter No L 12420 date 12th March 47 on the above subject, requesting me to state as to how the cost of acquisition of certain properties proposed to be acquired in connection with the formation of a circle road about the ~~Marxx~~ Marikamba Temple to be constructed on the original Garbhe as per type-design furnished by the Government Architect, etc, I have the honour to forward herewith in original the letter No C 1/1/45-47 date 1st April 47, received from the President, Town Municipal Council, Sagar in the matter and to state as follows -

The Municipal President states that as the acquisition of certain private properties in connection with the formation of a circle road about the Marikamba Temple to be newly constructed is necessary in the interest of Town Improvement, the Municipal Council, have, carefully considered the question at their meeting held on 30-3-47, and passed a resolution to the effect that the cost of acquisition to be incurred in this connection might be borne from the funds of the Sagar Municipality - the resolution copy enclosed in the file for favour of reference

It is stated that the approximate cost of acquisition in this connection would be as 7,280/- and that the same would be met from the closing balance of the Municipality It is reported that the closing balance at the credit of the Municip-lity on 1-4-47 was as 26,010/-

As regards the other point, viz , whether the proposed temple would first be constructed on the original site and then the present temple disposed of by Public auction etc , I write to state that the President of the Municipality reports that the Marikamba temple building now in existence has never been used as a temple of worship on account of some religious sentiments and as that there is no objection from the devotees for the disposal of the building in question It is further reported by the Municipal President that it is the intention of the Municipal Council and of the devotees of the Marikamba deity that the existing temple building should be sold in public auction in the first instance

He adds that the Management of the Marikamba temple reconstruction committee have been making substantial progress towards the collection of funds and that the balance amount over and above the realisations from the sale of the present building (i e , estimated cost of building viz , Rs 8,500- minus sale proceeds to be derived by the sale of the present building) would be got deposited easily from the Management of the Marikamba temple reconstruction committee

The entire records bearing on the subject received with your letter under advertance are forwarded herewith for favour of reference

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

Subject Construction of a new Malikamba temple in Sagar Town

With reference to your letter No L 15494 dated 31st May 1947 on the above subject, requesting me to intimate as to where the old temple of the Malikamba is actually located etc, I have the honour to forward herewith in original the reply received from the President, Sagar Town Municipal Council in the matter, vide his letter No C 171/46-47 dated 5th June 1947 and to state that the circumstances of the case have been fully explained by the Municipal President in his letter referred to above

The temple building which is proposed to be sold by auction is not situated on the existing Gaddige of the Malikamba Deity nor is the building in question in any portion of the site where the circle and the New temple for Malikamba Deity is proposed to be constructed But the building is situated about half a furlong away from the "Old Gaddige It is reported that this building in question which was constructed during the year 1939 has never been used as a temple by the public and that in view of this there will be no impediment whatsoever for disposing of this building by auction immediately

The new temple to be constructed for the Malikamba deity will come over on the existing "Gaddige of feet of the Deity", which is concretated on the floor from time immemorial Near about this Gaddige no temple exists at present

As regards the question as to whether the estimated cost of the proposed circle round about the temple to be built as per plan of the Government Architect has been included in the estimate sum of R 7280/- for the acquisition of properties required for the purpose, the Municipal President reports that the cost of the

p t o

the proposed circle has not been included in the estimated sum of Rs 7280/- towards acquisition of properties. It is stated that the cost of towards the formation of the circle is included in the estimate for Rs 8500/- furnished separately by the Assistant Engineer, Sagar, Towards the construction of the Sri Varikamba Temple - Vide estimate enclosed, in the records

It is ascertained from the Municipal President that the Varikamba Temple Reconstruction Committee have agreed to deposit the estimated cost of the proposed temple building and the circle as per the statement dated 27-10-46 furnished by the President of the aforesaid Committee before the Vice-President of the Municipality

In the circumstances explained above I request that early orders of Government may kindly be obtained (in this respect) and communicated

The entire records received with your letter under reference are forwarded herewith for favour of reference

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Shimoga District

OFFICE OF THE PRESIDENT
TOWN MUNICIPAL COUNCIL

From The President,
Town Municipal Council,
Sagar

DATED SAGAR 4th September 1947

To
The Revenue Minister
Government of Mysore,
BANGALORE

Sir,

Subject Construction of Sri Marikamba temple on the original Gaddige at Sagar Town

In enclosing herein a copy of the resolution of the Municipal Council dated 31st August 1947 passed on the above subject I have the honour to state that the construction of Sri Marikamba temple is not yet sanctioned by the Government and the matter is under correspondence for the last three years

The public of Sagar are very anxious to get the Marikamba temple reconstructed with the least practicable delay Since there is plague here from a long time, the people feel and attribute rightly or

Read:

Correspondence ending with letter No. M3.C. 1810/45-46 dated 26.9.47 from the Deputy Commissioner, Shimoga District submitting proposals for the construction of a new Marikamba temple in Sagar Town.

Order No. L 11744-5/mL 100 47-2

Bangalore, Dated 12 December 1947.

In pursuance of a suggestion made by the then Deputy Commissioner Shimoga in 1938, the Marikamba temple in Sagar Town, was sought to be shifted from its site and a new temple building was got constructed on a site South of the Sagar Railway Station. The new construction was not popular with thetowns people and has not been used as a temple and ~~there has been used has not been used as a temple~~ and there has been a persistent agitation for the construction of a temple on the old gaddige itself. To meet the popular demand the Sagar Town Municipal Council resolved in October 1946 to sell the new temple building by public auction and to build a new temple on the old site. In this connection, the Deputy Commissioner, Shimoga District requests sanction to (1) the disposal of the present temple building in auction and the utilisation of the sale proceeds for the construction of a new temple on the original gaddige; (2) to reconstruction of a new Marikamba temple in on the original gaddige at an estimate cost of Rs. 8,500/- approximately, as per type design prepared by the Government Architect, the cost being met by selling the existing temple and collecting donations from the devotees and others; and (3) to the formation of a Circle round about the temple acquiring for the purpose, houses - one bearing Mu. No. 7 a portion of another house bearing Door No. 43 - at an estimated cost of Rs. 7280/- the cost being met out of the closing balance of the Sagar Town Municipality for the current year.

The proposals of the Deputy Commissioner, Shimoga District are sanctioned, The acquisition records should be built up and the necessary proceedings taken in this behalf expeditiously.
